BATH IN JERUSALEM. - There are baths about town famous and fithy The chief bath is open to males in the morning and to females in the afternoon Chancing to be at this fishionable resort in company with the polyglot-we were under the protection of the ever-attentive kawas -we yielded to the soductions of the rubbers, the sudsers, the swathers in soft linen, the slavebearers of temonade, chilled with snow, coffee, and preserved rose leaves; the pipe-boys and the barber who puts the flaishing touch to the most harmless of the sensual joys of Islam—the bath Thus beguled, we found the milday hours upon us, and we wore surprised in our bath by the entry of a swarm of infuriated wemen They buzzed about us like horners. They would have sun g us had they not fesred the frown of our knaws. As it was we were glad to make our escape as speedily as possible, amid the j ers of twenty waddling pyramids of dry goods that glared at us with angryeye, and shook their little tists u til their loose silver armlets clashed again. For all this tumult we learned later it was only Miss Katoo Zul-um, the daughter of the barber, com ng to bathe - C. W. Steddard in San Francisco Chronicle

ANALYSIS:

Soluble Phosphate of Lime.22.18 3 07 5.61

The most concentrated, universal and durable fertilizer ever offered to the farmer-combining all the stimulating qualities of Peruvian Guano, and the ever durable fertilizing properties of Bones. In fine dry powder, prepared expressly for drilling.

After NINETEEN YEARS' experience by the farmers of Maryland and Virginia in the use of "Excelsior," it is their unanimous opinion that an application of 100 pounds of "Excelsior" is equal to from 200 to 300 pounds of any other fertilizer or guano, and therefore fully 100

per cent cheaper.
UNIFORMITY OF QUALITY GUAR-ANTEED BY THE MANUFACTURERS. Farmers should see that every bag is branded as above, with the ANALY IS and OUR NAME IN RED LETTERS. All others PRICE \$50 PER TON.
